

## ZYHD490E 660E 720E 780E Combi-Folding Machine (with Electric Control Knife)

This machine adopts Japan's Omron, servo-controlled transmission systems, PLC control system, high-precision photoelectric, close to detection system, Frequency Control, color display screen contact. Fold knife by the servo motor control, stepping fold knife controlled and adjusted by the servo motor is safe and convenient to debug, and can achieve full detection, tracking, data displaying, troubleshooting tips and so on, it is suitable for large and medium-sized printing factory. (Knife won the national electronic control technology patents and access to scientific and technological progress second prize.) We are pioneer of China's electric-control folding equipment.

### 主要技术参数

#### Main technical parameter

型号	Model	ZYHD490E	ZYHD660E	ZYHD720E	ZYHD780E	
可折最大纸张尺寸	Foldable max sheet size	490 x 700mm	660x1040mm	720x1090mm	780x1160mm	
可折最小纸张尺寸	Foldable min sheet size	120 x 200mm	150x200mm	150x200mm	150x200mm	
可折纸张定量范围	Foldable sheet rotation range	40-200g/m <sup>2</sup>	40-200g/m <sup>2</sup>	40-200g/m <sup>2</sup>	40-200g/m <sup>2</sup>	
折纸最高线速度	Folding & rolling max line speed	180m/min	170m/min	180m/min	180m/min	
折刀最高速度	Clasp knife max speed	200strokes/min	200strokes/min	200strokes/min	200strokes/min	
整机功率	Total power	5kw	6kw	6.5kw	7kw	
外包装尺寸	Packing Size	主机	1750x1350x1400mm	2070x1630x1470mm	2070x1630x1470mm	2670x1750x1470mm
		副机	2250x1250x1550mm	2920x1465x1610mm	2920x1465x1610mm	3020x1585x1610mm
		单机		1460x870x1100mm	1460x870x1100mm	1460x870x1100mm
机器总重量	Packing Weight	1800kg	2590kg	2790kg	2990kg
